**Refund request — see enclosed chart**

Dear SHEHZAD SAMI MD:

Humana strives to offer its members high-quality healthcare at affordable rates. To facilitate this objective, we review our payments for accuracy. While it is certainly our desire to pay all claims accurately the first time, we occasionally find that claims have been paid incorrectly. As part of a recent review, we determined the claims referenced on the enclosed chart were overpaid by 76.26. The reasons for the overpayments are listed on the chart. Please review your files with the enclosed chart.

**If you agree with our findings,** please send a refund, along with a copy of the chart, on or before the anticipated remit deduct date listed within the chart for each claim to:

Humana
P.O. Box 931655
Atlanta, GA 31193-1655

If you do not agree with our findings, please follow the guidance found in the Special Messages section below.

If you prefer, you can call us at **800-438-7885 (TTY: 711)**. Representatives are available Monday – Friday, 8 a.m. – 8 p.m., Eastern time.

If you have already issued a refund check for these claims, please disregard this request and accept our thanks. If not, it is important that we hear from you to resolve this refund request and avoid having the overpaid amount deducted from future payments or referred to our outside collection agency.

Sincerely,

The Humana Provider Payment Integrity Department
